AV 23/7/21

Sir,

With reference to Muzrai Superintendent's letter No.P.C.P.307 dated 12th June 1919 re the tampering of the golden Kirita belonging to Sri Kari Thimmaraywaswami temple at Begur in the Nelamangala Taluk I have the honor to state that the Amildar of Nelamangala Taluk reports that there are eight Pujaries worshipping in the temple by rotation, each one holding office for a year commencing from Ugadi.

In the year 1918, one Thimmarayappa handed over charge to his successor Karigiriyappa with a charge list attested by the panchayatdars, The said golden Kirita was mentioned in the charge list. Karigiriappa is reported to have died of influenza before the expiry of his term and his uncle Thimmarayappa who was also one of the eight pujaries was officiating for him but without permission from any authorities during the illness of Krigiriappa and till the expiry of the latter's term of office.

At the time of handing over charge by Thimmarayappa in the year 1919, it was noticed that the golden Kirita was missing, and a brass one had been substituted in its stead. The fact was duly reported to the amildar who held an enquiry

The officiating Pujari Thimmarayappa stated in his statement that

that he did not receive regular charge from the deceased, but was doing the duties for him, as he was his nephew. Since the Kirita was tampered with during that period, the responsibility was fixed upon him and he was asked to make good the lost property.

He produced gold equal in weight to the lost Kirita which was said to weigh 17¾ varahas. This gold has been placed in the Taluk Treasury in safe custody.

As it is necessary to get a Kirita prepared for the deity, I request you to be so good as to obtain the sanction of Government to get one prepared from the gold recovered from Thimmarayappa.

The entire Vernacular records are herewith submitted.

I have the honor to be,

Sir,
